New Committee To Be Elected in Sept

A little premature to be announcing the new committee since they are only elected and sworn in at the AGM in September. However, we wanted to get started planning next term so please turn over to see the new team for next year.

Objective

The RCPA was set up for the benefit of the parents, children and school.

It aims to help create a school community whilst raising some extra cash for projects over and above the school budget.

Children and parents create friends for life at junior school. Something that stays with them forever.

RCPA aims to help.

2009/10 Example Projects:

Acoustic curtains and staging for gym.

Table tennis table and outside gaming area

Digital cameras and extra design and technology equipment

French Internet subscription

Yr6 and Y8 leaver contributions to yearbooks
