

Entry Test and Scholarship Results 2018

It has been a particularly splendid year for senior school entries and scholarships won, with a third of the children gaining an award.

Listed here are results for entries to senior schools. These tests are taken at 11, 12 or 13 according to the school concerned. The results for successful candidates are shown below in no particular order. Items in **bold** emphasize a scholarship award won, and the field of endeavour.
