

Entry Test and Scholarship Results 2019

Senior School entries are now nearly all in for 2019 entry tests and as usual our children have performed well in what is an ever-more-demanding climate, particularly for boys, in West Surrey.

Listed here are results for entries to senior schools to March 2019. These tests are taken at 11, 12 or 13 according to the school concerned. The results for successful candidates are shown below in no particular order. Items in **bold** emphasize a scholarship award won, and the field of endeavour.

In line with best Safeguarding practice the names of each candidate has been removed in this version.

Congratulations to:
