

Ripley Court School Council Meeting Summary 21 May 2019

We generally hosted a younger contingent this time, and it was clear what the priorities were:

1. Could we have sports exams and PSHE exams? Gosh. Never been asked for more exams before! I'm glad they enjoy those areas of the curriculum.
2. Y5 and 6 Forest School. It remains very difficult to timetable unfortunately. Similarly an extra double art and food tech.
3. Merchandising. Some suggestions were made for more Ripley Court kit, including House Ties or badges, Ripley Court wellies and sunglasses.
4. On the food front, more break time popcorn (no problem) and double puddings (problem) were requested.
5. Could we have a school manhunt game every year. Sounds like fun, but I will need more details.
6. Please could we check that any disposable tableware (such as cups) is biodegradable. Will do.
7. Please can Middle Court have a wellie rack?
8. The boys want to play rounders, just as the girls now play cricket.

Many thanks everyone!
