Dear Parents,

Nursery & Little Court Activities Week

Activities Week is a wonderful week where Little Court and Nursery children get to enjoy a range of fun filled activities including:

Monday 15 th June	Reception – Year 2	Winchester Science Centre
Tuesday 16 th June	Nursery – Year 2	Dance with Miss Kelly
Wednesday 17 th June	Nursery – Year 2	Wild Science
Thursday 18 th June	Nursery – Year 2	Inspire African Drumming
Friday 19 th June	Nursery – Year 2	Sporty Kidz

Winchester Science Centre

Reception, Year 1 and Year 2 will spend the day visiting Winchester Science Centre. We will travel by coach leaving school after registration. Whilst at the Science centre, we will take part in a hands-on discovery workshop titled 'Blast off!'. We will have dedicated time to enjoy a bespoke live planetarium show as well as plenty of time to explore the interactive exhibits on offer. We will arrive back to school in time for usual pick up.

Dance Workshop

Nursery, Reception, Year 1 and Year 2 will each be learning a choreographed dance with Miss Kelly throughout the morning. By lunchtime, Little Court will be ready to come together and dance as a team.

Wild Science

Each class will spend some hands-on time meeting and learning about a mixture of reptiles, mammals, amphibians and invertebrates that will be visiting Little Court. Our workshop leader will be sharing intriguing insights about the creatures they have to showcase and will answer any questions we may have too.

Inspire African Drumming

Each class will enjoy dedicated time with the workshop leader. This dynamic workshop is an introduction to the energetic style of West African djembe drumming. All children will learn a flamboyant traditional West African piece of music that is an excellent practical introduction to Malinke music.

Sporty Kidz

An annual event for the Little Court and Nursery children, a day filled with sports skills and team games. Sporty Kidz is a professional sports coaching company offering an amazing array of multi-sports activities for the children.

Forest School

Throughout the week, each year group will also attend Forest School with some having the opportunity to cook and eat their lunch in the woods.

The cost for per child in Reception, Year 1 and 2 for these events will appear as follows on your Summer Term invoice:

Winchester Science Centre - £37

Workshops - £28.50

The cost per fulltime child in Nursery is **£28.50**. You will only be charged for workshops on your child's usual registered sessions and days.

These charges are non-refundable.

A full timetable, and further information about Activities Week, will be sent at a later date.

Please can we ask that you provide your consent for Winchester Science Museum, on the parent portal, by **Friday 22nd May**. Instructions on how to do this are attached, and can also be found [HERE](#).

Yours faithfully,

Miss Charlotte Chapman
Head of Nursery & Little Court
