Dear Year 6 Parents,

In order to help you navigate the Senior School 11+ entry process, we have created a useful grid so that you can find the information relevant to your son/daughter's school choice(s).

Please note that **some schools have not yet finalised their plans and are still changing their entry requirements. Therefore, please be aware that the information on the grid may be subject to change.** The Senior Schools will inform the registered families directly, so if you receive any information contrary to what we have sent out, please let us know.

Please remember that **it is the parents' responsibility to register the pupils at their chosen schools** and as you will see, many deadlines fall next month.

The list of schools is extensive, but by no means exhaustive, so please keep us informed of your choices.

Please complete [this online form](#) indicating which Senior School choices you have selected, alongside other information required for your child's reference. Each entry process is slightly different and, by knowing where your sons and daughters are applying, we can ensure there are no surprises. Please may we ask that the form is completed by Friday 25th September. If you are still finalising your choices, please let us know.

We will continue to prepare the pupils, as usual, in school. If you have any questions or concerns surrounding the entry process, please do not hesitate to get in touch at westernkayeh@ripleycourt.co.uk.

Best wishes,

Mrs Harriet Western-Kaye
Deputy Head (Academic)
