

Reception Knowledge Organiser: Summer 1: All Aboard

key books this term:

cooking:

Pirate map pizza, couscous salad, brownie boats, biscuits, chocolate treasure boxes

How can you learn at home?

Continue to explore different types of reading materials, such as letters, magazines, comic books, instruction manuals or recipes. Don't forget to decide if they are fiction or non-fiction!

Practise writing for a purpose at home. Can you help with a shopping list? Has someone got a birthday coming up you could write a card for or is there someone you could send a letter to? Practice your reading when you are out and about by trying to read signs you see.

Can you spot 3D shapes in the environment? How many things can you find at home shaped like a cylinder or cuboid?

Literacy

We will be building up our experiences of writing for a purpose and looking at some different genres of writing.

I can:

★ label diagrams and plans ★ use connectives ★ write instructions ★ ask and answer questions ★ write a letter ★ create a map

Maths

Throughout the topic we continue to explore and consolidate numbers to 20 and simple number facts and calculations, including addition, subtraction, number bonds, halving and doubling. We will also explore shape and measures. I can:

- name 3d shapes
- order objects by volume
- measure using non-standard & standard units
- recall number bonds to 10
- tell the o'clock and half past time
- add by counting on
- subtract using counters

Phonics

The children will be supported to develop their phonics knowledge in line with their development and skills using Read Write Inc. Don't forget to look at the phonics knowledge organiser for more information.

Extra-curricular learning:

In dance this half term the children will be learning a routine to perform in the dance extravaganza! In music the children continue to learn about graphic scores and explore playing the ukulele!

Where do we live?

Part of our learning in EYFS is to talk about where we live, in particular our local area. Why not take photographs of where you live, write labels for them, and find out about the history in your area.

Dreams and Goals

In circle time this term we will be focusing on the topic 'Dreams and Goals'. This will include learning about how to persevere, set goals, overcome obstacles and achieving our goals.
