

Reception Knowledge Organiser: Summer 2: From Tiny Seeds

key books this term:

cooking:

Apple pastries, sausage rolls, sunflower cupcakes

How can you learn at home?

📖 Continue to explore different types of reading materials at home, as well as practicing your writing whenever you can!

🕒 What is growing in your garden? Have a go at planting some seeds and watch them grow at home. What do your plants and flowers need to grow?

👋 How can you use your number knowledge in everyday life? Have a go at keeping score in a game, try measuring out the correct weight of ingredients in cooking or you could set up a shop role play area at home. Try to pay for your items using the correct amount of money.

Literacy

We will continue to build up our experiences of writing for a purpose and looking at some different genres of writing.

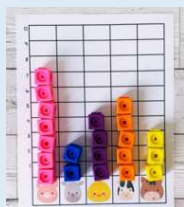

I can:

★ label diagrams ★ use a capital letter, full stops, and connectives ★ write instructions ★ write a message ★ retell a story

Maths

In number this half term we will focus on subtraction, addition by counting all and counting on, addition and subtraction with money, halving and doubling. We will also explore data handling looking at bar charts and graphs. I can:

- ♦ subtract within 10 ♦ add two numbers by counting all and counting on ♦ read data from a bar chart ♦ recall number bonds to 10 ♦ tell the o'clock and half past time ♦ add and subtract using money ♦ find half or double within 10.

Phonics

The children will be supported to develop their phonics knowledge in line with their development and skills using Read Write Inc. Don't forget to look at the phonics knowledge organiser for more information.

Extra-curricular learning:

In dance this half term the children will be performing in the dance extravaganza! In French the children will be learning how to count to 20 and learn lots of new vocabulary including fruit and vegetables.

Trips and Events:

We have a very busy term of exciting events ahead. The children can look forward to sports day, the swimming gala and activities week.

Road Safety:

This term we will be thinking about how to stay safe by the road. We will be using the Think! Road safety resources to support our learning as well as practicing our skills on the school grounds. Check our brake.org for further information advice and guidance.
