A Warm Welcome from the RCPTA

Welcome to the first of our new half-termly PTA newsletters!

This year we want to be much more open about what the PTA is doing, sharing our plans, our finances, what we're fundraising for, and how the money we raise is being spent.

We can't do it without our amazing school community. We'll be working with the children through the School Council, with teachers through Mrs Dudley, and with all of you as parents.

We have lots of exciting ideas, but we want the PTA to keep growing and evolving, so please keep sharing your ideas, we'd love to hear them!

Fundraising Priorities & Updates

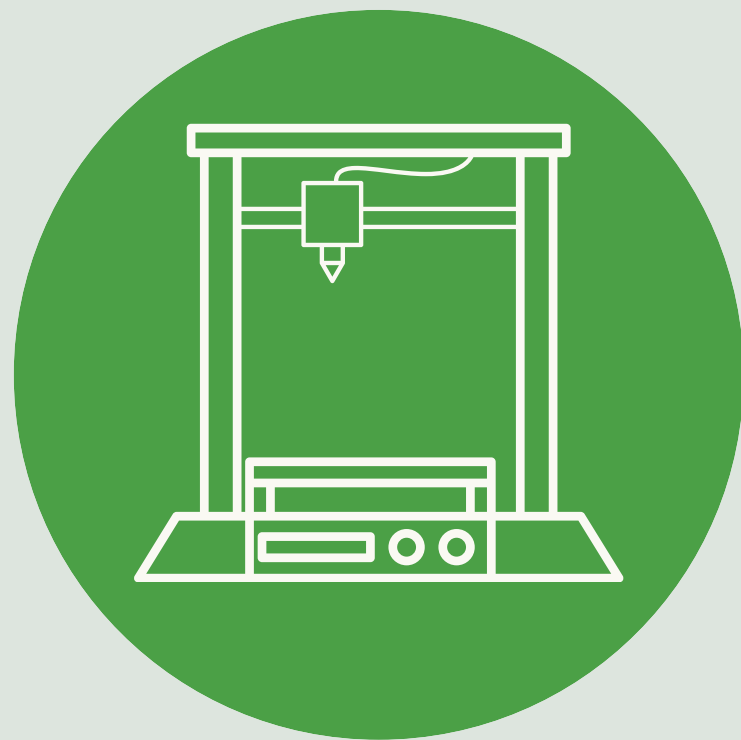

Theatre Refurbishment

Exciting progress. Building works have begun on the theatre refurbishment. We can't wait to see this much-loved space transformed for future performances.

PTA Shed

The proposal for the PTA shed is to create a new outdoor pupil space, with children contributing ideas through School Council.

3D Printer

Two 3D printers were purchased for the STEM room. The children are enjoying creating projects!

Pond

Plans are in place to establish whether this can be made part of the outdoor learning space.

We are always looking for new ideas for fundraising projects.

Library Redevelopment

The vision: A flexible, interactive learning hub for reading and literacy, storytelling sessions, small-group learning, community events and outreach activities. Quotations and a proposal are being prepared.
